

# Come to the Mountain of the Lord

## Jenny Frogley

Come on nations hear the call  
Join together one and all  
Sing as one the song of truth  
Gathering the strength of youth

Come obey your prophet's voice  
And in the house of God, rejoice  
Come and enter at the gate  
One in spirit praise His name

Come to the mountain of the Lord  
Come with your banner, shield and sword  
Set like a light upon a hill  
The ancient promise is fulfilled  
Come climb the mount with flags unfurled  
Bring every soul in all the world  
To feel the power of truth restored  
Come to the mountain of the Lord  
Up to the mountain of the Lord

Come and walk His path of peace  
Feel His light and you'll increase  
Come and learn His holy ways  
Revealed to man in latter-days

Come to the mountain of the Lord  
Come with your banner, shield and sword  
Set like a light upon a hill  
The ancient promise is fulfilled  
Come climb the mount with flags unfurled  
Bring every soul in all the world  
To feel the power of truth restored  
Come to the mountain of the Lord  
Up to the mountain of the Lord

Come to the mountain of the Lord  
Come with your banner, shield and sword  
Set like a light upon a hill  
The ancient promise is fulfilled  
Come climb the mount with flags unfurled

To save the souls who left this world  
The power of God has been restored  
Come to the mountain of the Lord  
Up to the mountain of the Lord
