

Want More

Bob Marley & The Wailers

Now you get what you want,
Do you want more? (want more)
Now you get what you want, Do you want more? (want more)
You think it's the end, But it's just the beginning
You think it's the end, But it's just the beginning
Go down back-biter, down back-bite;
down back-biter, down back-bite!
Down back-biter, down back-biter; down back-biter, down back-bite!
They stab you in the back
And they claim that you're not looking
But Jah have them in the region
In the valley of decision
They stab you in the back
And they claim that you're not looking
But Jah have em in the region
In the valley of decision - in the valley of decision
Go down back-biter, down back-bite, down back-biter, down
back-bite!
Now you get, what you want, do you want more?
Now you get, what you want, do you want more?
Now you get, what you want, do you want more?
You think it's the end, a-do you do you want more?
Go down back-biter, down back-bite, down back-biter,
down back-bite!
Down back-biter, down back-bite, down back-biter, down back-bite!
They stab you in the back (stab you in the back)
And they claim that you're not looking (claim that you're not looking)
But Jah have them in the region (Jah have them in the region)
In the valley of decision
Now, what you want? Want more? Want more?
Now, what you get? Want more? Want more?
Now, Now, do you want more?
You think it's the end (you think it's the end)
Do you want more? (want more)(you think it's the end)
(Now, what you want? Want more? Want more?)
(Now, what you get? Want more? Want more?)
