## Against Me!

[Verse 1]

The ease of your pose  
The grace of your silhouette  
The way that your shoulders meet your slender neck  
Where would we be without all the distance?  
You know I'm already just a skeleton[Chorus 1]  
I don't have the heart to match  
The one pricked into your finger  
Of things made to be destroyed  
All moments meant to pass[Verse 2]  
Don't wanna live without teeth  
Don't wanna die without bite  
I never wanna say that I regret it  
Never wanna say that we grew apart  
And never wanna say that the feelings changed[Chorus 1][Verse 3]  
Chipped nail polish  
And a barbed-wire dress  
"Is your mother proud of your eyelashes?"  
Silicone chest and collagen lips  
How would you even recognize me?[Chorus 1][Chorus 2]  
I don't have the heart to match  
The one pricked into your finger  
No more troubled sleep  
There's a brave new world that's raging inside of me[Chorus 3]  
I don't have the heart to match  
The one pricked into your finger  
This too will soon slip out of reach  
This too will soon come to an end
