TakeBet I get that money like that
I be hustlin', no sweat
Ain't no sleep
And I'm from the street

Turn that 'Vette to a 'Rari
Gave that 'Rari to my assistant
Yeah, my hustle so persistant
And that's how I like my women, aye
Don't get in my business, babe
You been in your feeling's lately

You tryna argue, that shit irritating
I been thinking bout you
Feel like I'm gon' sink without you, aye
