

# Kushman Back

## Dopetrackz

Been a drought on the weed bruh?!

(The Kush Man Back)

Been a drought on the weed bruh?!

(The Kush Man Back)

But my weed man straight now

(The Kush Man Back)Been a drought on the weed bruh?!

(The Kush Man Back)

But my weed man straight now

(The Kush Man Back)

Been a drought on the weed bruh?!

(The Kush Man Back)

But my weed man straight now

(The Kush Man Back)I'm rappin' with the Kushman  
when the shipment comin'?  
hit me with the sick face  
told me ain't nothin'  
ain't no kush anywhere  
in the whole city?  
got me lookin' sick  
my weedman feelin' shitty  
but there's a package  
on it's way  
straight from  
cali forn I aye!  
can't wait  
so i can roll a eighth  
have me higher  
than outerspace  
but right now  
my space flight canceled  
my nerves bad got me flippin'  
like cable channels  
I just wanna burn up  
like some fckin' candles  
but ain't no weed! I can't roll up  
like broken axles  
now ain't that a bitch  
like Al Bundy neighbor  
I smoke swishers like probation

I don't fck with papers  
But hold up!  
I just got a text back  
The kushman say he back  
with them loud packz! Been a drought on the weed bruh?!  
(The Kush Man Back)  
But my weed man straight now  
(The Kush Man Back)  
Been a drought on the weed bruh?!  
(The Kush Man Back)  
But my weed man straight now  
(The Kush Man Back)
