

# Lord Is It Mine

## Supertramp

I know that there's a reason why I need to be alone  
You shown me there's a silent place that I can call my own  
Is it mine, oh Lord, is it mine? You know I get so weary from the battles in this life  
And as many times it seems that you're the only hope in sight  
Is it mine, oh Lord, is it mine? When everything's dark  
And nothing seems right  
There's nothing to win  
And there's no need to fight I never cease to wonder at the cruelty of this land  
But it seems a time of sadness is a time to understand  
Is it mine, oh Lord, is it mine? When everything's dark  
And nothing seems right  
You don't have to win  
And there's no need to fight If only I could find a way to feel your sweetness through the day  
The love that shines around me could be mine So give us an answer, won't you  
We know what we have to do  
There must be a thousand voices  
Trying to get through
