

Road To Acceptance

Green Day

I always waste my time just wonderin'
What the next man thinks of me?
I'll never do exactly what I want
And I'll sculpt my life for your acceptance I always waste my time just wonderin'
What the next man thinks of me?
I'll never do exactly what I want
And I'll sculpt my life for your acceptance An' I feel forgotten
Feel like rottin'
Do you feel the same?
Do you feel the same?
Adolescence
Just can't make sense
It's callin' my name
It's callin' my name I take a look around
And all the things I've found
I call it blind hatred
If you'd stop a while
And maybe if you'd smile
You would realize that
We're all the same, yeah
It's just like our brain
When it goes insane
We feel the same pain All my life I've seemed to have this need
I think at times it even turns to greed
We all want to join some family
We'll even sacrifice a moral changin' An I feel forgotten
Feel like rottin'
Do you feel the same?
Do you feel the same?
Adolescence
Just can't make sense
It's callin' my name
It's callin' my name I take a look around
And all the things I've found
I call it blind hatred
If you'd stop a while
And maybe if you'd smile
You would realize that
We're all the same, yeah

It's just like our brain
When it goes insane
We feel the same pain I take a look around
And all the things I've found
I call it blind hatred
If you'd stop a while
And maybe if you'd smile
You would realize that
We're all the same, yeah
It's just like our brain
When it goes insane
We feel the same pain
