Don't We All Have the Right

Ricky Van Shelton

I laughed it off when she left
I thought she'd come back again
Don't we all have the right
To be wrong now and thenShe won't come home
She says her love will never be mine again
Don't we all have the right
To be wrong now and thenGuess, I wasn't so smart after all
I forgot that with love there are two ways to fallI laughed it off when she left
I thought she'd come back again
Don't we all have the right
To be wrong now and thenGuess, I wasn't so smart after all
I forgot that with love, there are two ways to fallShe won't come home
She says her love will never be mine again
Don't we all have the right
To be wrong now and thenDon't we all have the right
To be wrong now and then
