

Swamp Song

Blur

Gimme good times
Gimme soul life
Give me fever
I'm a believer
Give me anything
Gimme space brain gimme music, gimme love
I've never seen love Gimme good times I want to be with you
Let me jump high and all I want is you
Gimme easy breathing
Give me everything, everything, everything Gimme good times
Oh, gimme soul life
Give me fever
I'm a believer
Give me anything I want to be with you
Gimme space brain and all I want is you
Don't leave me ever
We'll live forever
(Yes we will, I know we will) Oh, gimme good times
Gimme soul life's
Gimme fever
I'm a believer
You know I am
Give me anything I want to be with you
And gimme space brain and all I want is you
Gimme music, give me love
I've never seen love
