Nothing At All

Gentle Giant

Now she sits by the riverside
Watching the waters glide by,
With a sigh
And the things she put faith in
Are ripples just waving her by
With a sighShe sees lovers pass by with much more than a kiss
Ah this, little girl who had everything finds
She's nothing at allNow the wind seems so cold
Seems all old as it laughs at her fears
And her tearsAnd as ducks swim away from her
Visions of past love appear
In her tearsShe sees love in his face as she tells him to go,
And so, here's a girl who had everything now
She's nothing at allWhat could she do if she saw him now;
Now that he's gone she's losing
If she could see what she's seeing now
For sure she's more than just choosingNow she sits by the riverside
Watching the waters glide by,
With a sigh
And the things she put faith in
Are ripples just waving her by,
With a sighShe sees lovers pass by with much more than a kiss
Ah this, little girl who had everything finds
She's nothing at all
