

# Whatever It Takes(feat. Snow Tha Product & Angel)

## Product Ent.

I ain't trynna wait no more

I feel like I've been waiting

Forever and I swear that in the second Ima get up in the gate front door

tell them in the fu in the west and I swear I'm the best

non me like made before non will be made and non exist

I am the best

I am the truth

I am the west

And I'm the shit

I'm here to win  
here to let them know  
that I am never leaving

till I've been ground and been provin right cause if I keep it real

I'm seriously lyricly shittin on rappers

and I'm visible invincible or at least raising the standard

I'm trynna be a major factor and

I'm tired of waiting, I'm tired of going through all these fuckin struggles daily,

I'm trynna get the recogniziton I think I deserve,

you either tell me that y'all think that , that sound local on my verse

lord knows that I've been working hard and I ain't quitting rapping No.. proud of entertaining ment going hard  
in we gone have to blow

soon to be international tired of being passive

Yo I'm Snow White tha product

The one that they keep asking for
