

Candy Shop (Original Version)

Madonna

See which flavor you like and I'll have it for you
Come on in to my store, I've got candy galore
Don't pretend you're not hungry, I've seen it before
I've got Turkish Delight, baby, and so much more
Get up out of your seat (your seat)
Come on up to the dance floor
I've got something so sweet (so sweet)
Come on up to the front door
I need plenty of heat (heat)
Form a special confection
Just start moving your feet (your feet)
Move on over to me
I'll be your one stop (one stop)
Candy shop (candy shop)
Everything (everything)
That I got (that I got)
I'll be your one stop (one stop)
