Selfish

Halo Friendlies

my thoughts are so clear
i can't take back the times when we were so free
it's like a dream to me but never would i seeyou and me in the troubles of this year
you and me in the troubles of this yearyou're so selfish and stubborn about it
and i'll never understand why you never went away
selfish and stubborn about it
and i'll never understand why you never went away
yeah yeahso here we are you and i
face to face and there is nowhere to hide
pick up your guitar and play me
another song another song
you messed up in so many ways
i don't think you'll understand me
you messed up in so many ways
you're losing me
(yeah yeah)
