God's Got Me

Dexter Walker & Zion Movement

GODS GOT ME

No matter what I face
No matter what may come
I am confident in this
God's got me

He's got me
He's got me
I am confident in this
God's got me

I am standing here today
Because of his love and grace
I am confident in this
God's got me.

He knows what I need,
He knows what I really need
God is always looking out for me

He's got me
Gods got me
"No matter what"
He's got me
Gods got me
