Loved Me Back To Life

Sia

I was walking dead stuck inside my head
I couldn't get out
Turn the lights down
The voices inside were so loudNeed a jump-start, catatonia
I couldn't feel,
I wish that I could disappear
The voices inside were so realBut you stood by my side.
Night after night, night after night.
You loved me back to life, life
From the coma,
The wait is over
You loved me back to life, life
From the coma,
We're lovers again tonightBack to life, back to life, back to life, back to life, yeahYou woke me up, one touch and I felt alive
You loved me back to life, back to life, thought I died.
The voices inside were so quietBut you stood by my side
Night after night, night after night
You loved me back to life, life
From the coma,
The wait is over
You loved me back to life, life
From the coma,
We're lovers again tonightStrong hand, thick skin and an open heart
You saw through the pain, saw through the mask
You never gave up on me, yeahYou loved me back to life, life
From the coma,
The wait is over.
You loved me back to life, life
From the coma,
We're lovers again tonight
Back to life, back to life, back to life, back to life
Back to life. back to life, back to life, back to life
Yeah...
