Terrors

Yellow Ostrich

I know you wanted me to lay low
I know you ache for me, but don't show
I know you wanna let goThe trip is quick, I promise you that
You barely notice a thing, so relax
I wanna make it easy on you'cause I'm the terrors in your eyesThe view is beautiful, can't you see?
It takes the breath and the life out of me
It makes me wanna lie down
'cause I'm the terrors in your eyes
