U-U-TVerse: Came to this world to save us, give us life by washing us in his word, He has salvation in his hand, hand. Knowing we were sinners he came to forgive us, and his kingdom will not end

Bridge: Knowing he was the I Am, he walked on earth as a man, to spread love over the land, Come on help me say
Chorus: It's unmovable, it's unbeatable and it will not end. It's the unbreakable, unshakeable Kingdom of God. Power, Authority, the enemy be defeated, by the unbreakable, unshakable Kingdom of God.
Verse: Oh Preaching and Teaching, Feeding, Healing, even Raising the dead to show, he was the mighty arm of God, the mighty arm. The kingdom of darkness tried to drop him, stop him, they said we got him now, oh how they lived in a facade.

Ooh. Bridge: But there is an empty grave, he snatched the victory away, and now there's a brighter day yeah. He came to save us, he came to heal us, he came to reclaim his own. Captives can be, whole and set free, true victory, is ours because the Kingdom is
Chorus: It's unmovable, it's unbeatable and it will not end. It's the unbreakable, unshakeable Kingdom of God. Power, Authority, the enemy be defeated, by the unbreakable, unshakable Kingdom of God. (x2)
