High Fidelity

Elvis Costello

Some things you never get used to
Even though you're feeling like another man
There's nothing that he can do for you
To shut me away as you walk throughLovers laughing in the amateur hour
Holding hands in the corridors of power
Even though I'm with somebody else right nowHigh fidelity, can you hear me?
Can you hear me? Can you hear me?
High fidelity, can you hear me?
Can you hear me? Can you hear me?There's a new kind of dedication
Maybe you'll find it down the tunnel
Maybe I got above my station
Maybe you're only changing channelsEven though you're nowhere near me
And I know you kiss him so sincerely now
Even though the signal's indistinct
And your worry what silly people thinkWho just can't wait to feel so frozen out
I bet he thinks that
He was chosen out of millions
I suppose he'll never know aboutHigh fidelity, can you hear me?
Can you hear me? Can you hear me?
High fidelity, can you hear me?
Can you hear me? Can you hear me?
Can you hear me?
