

Just a Little Talk With Jesus

[Loretta Lynn](#)

I once was lost in sin but Jesus took me in
And then a little light from Heaven filled my soul
He bathed my heart in love and wrote my name above
And just a little talk with Jesus made me whole
Now let us have a little talk with Jesus
Let us tell him all about our troubles
He will hear our faintest cry
And we will answer by and by
Now when you feel a little prayer wheel turning
Then you'll know a little fire is burning
You will find a little talk with Jesus makes it right
Sometimes my passing prayer without a ray of fear
And then a cloud of doubt will hide the light of day
The mist of sin may rise and hide the starry sky
But just a little talk with Jesus clears the way
Now let us have a little talk with Jesus
Let us tell him all about our troubles
He will hear our faintest cry
And we will answer by and by
Now when you feel a little prayer wheel turning
Then you'll know a little fire is burning
You will find a little talk with Jesus makes it right
I may have doubts and fears my eyes be filled with tears
But Jesus is a friend who watches day and night
I go to him in prayer he knows my every care
And just a little talk with my Jesus makes it right
Now let us have a little talk with Jesus
Let us tell him all about our troubles
He will hear our faintest cry
And we will answer by and by
Now when you feel a little prayer wheel turning
Then you'll know a little fire is burning
You will find a little talk with Jesus makes it right
Makes it right
