Amen

Shaun Groves

My body breaks beneath the weight of
Toil and trouble, fears and fights
Sickness in me, world against me
I cry to You tonightChrist have mercy, Lord have mercy
Holy Healer, strength within
Pass me not, forsake me not, Lord
AmenMy enemies are whispering
They pray my name may die
So few to trust, so few are just
I cry to You tonightChrist have mercy, Lord have mercy
Faithful Brother, Closest Friend
Pass me not, forsake me not, Lord
Amen, AmenMy heart is dim, it's always been
I turn from what is right
Passions of youth tear me from truth
I cry to you tonightChrist have mercy, Lord have mercy
Sinless Savior, Judge of Men
Pass me not, forsake me not, Lord
Amen, Amen
