White Man/Black Man

James Gang

White man, black man listen to me
Hear what I've got to say
You've got to learn to live together
Right now, right awayBefore it's too late
Before it's too lateBlack man forget the hate
That's been around for so long
White man you've got to know
That sometimes you've been wrongAbout your brother
'Cause he's a good man
You know he's just like youThe time's gonna come
The time's gonna comeBefore it's too late
Before it's too lateSometimes I get the feelin'
That it's never gonna end
When a brother and a sister
Somehow become friendsTo love each other
Is a good thing
And to know is to loveYou've got to love one another
You've got to learn to live together
You've got to love one another
You've got to learn to live together
