Homegrown

The Jimmy Weeks Project

I love this place I call my home itâ€™s my endless paradise
There is no other quite this because Hawaii is so nice
I live my life inna de island style no other way can do
And if I ever change it up I would be so lost and confused

Iâ€™m gonna keep myself rooted, no other place is suited
For a native like me
Keep my feet planted, Hawaiian I am branded
You know there ainâ€™t no changinâ€™ me

â€˜Cause Iâ€™m homegrown, from these islands
Yes Iâ€™m homegrown, from these islands
Yes Iâ€™m homegrown, from these islands
Yes Iâ€™m homegrown, from these islands, yeah

Yeah, I wake up in the morning, smell the sweet fragrance
I think Iâ€™m gonna take a ride
Itâ€™s perfect for the keiki, theyâ€™ll appreciate it greatly
Grow up with a sense of pride
The teachings of our people through the generations
Are still alive and well today
So letâ€™s keep the culture strong, continue moving forward
Aloha is the only way

Iâ€™m gonna keep myself rooted, no other place is suited
For a native like me
Keep my feet planted, Hawaiian I am branded
You know there ainâ€™t no changinâ€™ me

â€˜Cause Iâ€™m homegrown, from these islands
Yes Iâ€™m homegrown, from these islands
Yes Iâ€™m homegrown, from these islands
Yes Iâ€™m homegrown, from these islands, yeah
