The Embassy

I, have so many questions
The turn, I?ll tell you one
I?d tell you one, agenda
And race, I care

There are some things
I always raced through
And they?re not the same as you

I?m watching you do, agend
And race, always

Your race, takes piece, again
And I, I wanna be a related
So I sound, a less like to you
Can I be related too
A young boy, I?m real bad
A bye, bye.
