Hollyann

Boston

In my mind
I can see reminders of a past decade
So far behind
Like the shadows linger at the close of dayAnd we could see
We were timeless dreamers of another day
And we were free
In a dawning age we had so much to sayOoh, the nights you came to me
A blue jean lady, so eager to be free
And the wind in your long hair blowin'
As we stood for the band, oh, HollyannHollyann, we made the dark into light
We saw the wrong and the right
We were for life
And we would never concede itHollyann, we left the world behind
A million hands gave the sign
We held the line light
Can you believe it?Hollyann
HollyannWe could live
Just to turn the world into our fantasy
And we could give
Aquarius was really meant to beYou and I we were there to see the dawn
Side by side we had love to carry on
And I still hear guitars in the air
As we sat in the sand, oh, HollyannHollyann, we made the dark into light
We saw the wrong and the right
We were for life
And we would never concede itHollyann, we left the world behind
A million hands gave the sign
We held the line light
Can you believe it? Hollyann
