

# Here in Your Bedroom

## Goldfinger

Here in your bedroom  
I can turn my head off  
The less that I feel  
Is the less that I'm on top I wonder what you think  
As we lay here in bed  
I don't know what I'm thinking  
But that's better for my head When I wake up tomorrow  
Will you still feel the same?  
When I wake up tomorrow  
Will you have changed? 'Cause I still feel the same  
'Cause I still feel the same  
I, I, 'cause I still feel the same Here in your bedroom  
I can turn my head off  
The less that I feel  
Is the less that I'm on top I wonder what you think  
As we lay here in bed  
I don't know what I'm thinking  
But that's better for my head When I wake up tomorrow  
Will you still feel the same?  
When I wake up tomorrow  
Will you have changed? 'Cause I still feel the same  
'Cause I still feel the same  
I, I, 'cause I still feel the same  
Here we go! Here in your bedroom  
I feel safe from the outside  
I can tell that you're changing  
But still I feel so high I wonder what you think  
Sometimes I feel so old  
I don't know if it's worth it  
When I just do what I'm told When I wake up tomorrow  
Will you still feel the same?  
And when I wake up tomorrow  
Will you have changed? 'Cause I still feel the same  
'Cause I still feel the same  
I, I, 'cause I still feel the same I, I, 'cause I still feel the same  
I, I still feel the same  
Won't you?
