Did You Mean Me?

Todd Agnew

I've heard these stories all my life
Every Sunday morning I met Jesus at the felt-board
And I've heard these stories so many times
Of how and why You died and how I can liveBut You said all sins can be forgiven
But when You said that did You mean me?
Did You mean me?You said that we could be more like You
But did You know what I'd do, how I'd fall so short?
And You said confession leads to healing
Do You see I'm here and kneeling and I'm still not well?
But You said that faith can move a mountain
But when You said that did You mean me?Did You mean me
When You said we were made in Your image?
'Cause I don't see much of You in this reflectionDid you mean me
When You said we would do even greater things?
'Cause I don't see anything that I have to offer You
Did You mean me?Did You mean me
When You said we were made in Your image?
'Cause I don't see much of You in this reflectionDid you mean me
When You said we would do even greater things?
'Cause I don't see anything that I have to offer You
You said that You would never leave us
But when You said that did You mean me?
Please don't leave me
Did You mean me?
