Bosozoku

I never know now what you want
You say nothing if you say it all
Never want to take a stand
Be outspoken in a spoken plan Listening, I'm not listening, to -
Listening, I'm not listening, to - Indecision into stop
Stand off if you can give it up
[?] on your own
To love for love and love alone Listening, I'm not listening, to -
Listening, I'm not listening, to you A cold heart
Hits me
Just choose
Between We'll chase
Both ends
'Til both hearts
Wear thin You don't listen,
You don't listen,
Man you don't listen You don't listen,
You don't listen,
Man you don't listen You don't listen,
You don't listen,
Man you don't listen You don't listen,
You don't listen,
Man you don't listen
