

Everyday See You

Jessica Simpson

Sometimes the breaks don't go my way
Sometimes there's no good news today
 Sometimes it all just hits the wall
 Sometimes I think it's all my fault
 But I'm not stressing out
You know, I could be downtown, lost in the crowd
 Without even one tiny ray of sunlight
 Breaking through the crowds[Chorus]
 But I got the sun when I need it
 I got the moon
 I've got someone I can talk to
 'cause I get to everyday see you
I got the sun, got the moonRaindrops like ice cubes on the ground
 And a sound like people talking
There's a lotta things tryin' to keep me down
 But I better just keep on walking
 'cause I'm not staying here
 And looking up at my forecast, it's clear
 You wrap me up in blue skies
Whenever you are nearI've got the sun, I've got the moon
 I got my best friend
 (Best that I ever had)
 I got a lifeline
 (To get me through when it gets bad)
 Feels like an angel's following on my heels
 Hey, hey, hey, hey
 You are my sunshine
