All About Us

[Blare LeVoir](#)

Dj play my song
Keep it goin strong
Till the break of dawn
Play it till that floor's goneMake them dance more
Till the sweat pours
Keep it up for
The party girlsShut those lights off
Get those hands up
We aint had enough
Of bein bad like we shouldBeat gets stronger
We don't give a
Cuz we're at the club
Bein bad like we shouldJust keep on rocking
Moving
You cant look away
It's all about us
I'm lettin myself go
Lose control
And I can't even breathe
It's all about us
Our heart is pumping
Jumping through our body
Yeah It's all about us
Just keep on rocking
Moving
You can't look away
It's all about usGet on the floor and dance some moreUh
Did you get enough, yet
Cuz ya soaking wet
Wanna know whats next
Wanna p-p-put my hands on your hipsI can see the sun
Ya Bodys almost numb
Still we're goin strong
Just play that shit
Dj turn it upJust keep on rocking
Moving
You cant look away
It's all about us
I'm lettin myself go

Lose control
And I can't even breathe
It's all about us
Our heart is pumping
Jumping through our body
Yeah It's all about us
Just keep on rocking
Moving
You can't look away
