

Spinning

Christopher Cross

Ooh wee
You got me spinnin'
Got me spinnin' 'round
Like I think I'm winning Ooh wee
You got me spinnin'
You got me spinnin' 'round
Like I think I'm winning, whoa, whoa It may take me a long long time
But I'm gonna find you out
It may take me a long long time
But I'm gonna find you out Ooh wee
You got me spinnin'
You got me spinnin' 'round
Like I think I'm winning, whoa, whoa Ooh hoo, baby
It's only the beginning
You got me spinnin' 'round
Like I think that I'm winning It may take me a long long time
But I'm gonna find you out
It may take me a long long time
But I'm gonna find you out It may take me a long long time
But I'm gonna find you out
It may take me a long long time
But I'm gonna find you out It may take me a long long time
But I'm gonna find you out
It may take me a long long time
But I'm gonna find you out It may take me a long long time
But I'm gonna find you out
It may take me a long long time
But I'm gonna find you out
