All Over The World

Tree63

Even as the world began the stars they sang
And all the Angels shouted for joy, shouted for joy
And looking back through history Your people they have always had
A song they must sing, a song they must singWe are the people of God
We'll sing Your song
Here on the earthAll over the world Your song will resound
All over the world Your praise ring out
We're living to see Your name and renown
All over the worldYoung and old, near and far there's a place for every heart
To join in Your song, join in Your song
Every nation, tribe and tongue, come together join as one
Give glory to God, glory to God
We are the people of God
We'll sing Your song
Here on the earthAll over the world Your song will resound
All over the world Your praise ring out
We're living to see Your name and renown
