

# The Continental

**Babs Gonzales**

Beautiful music  
Dangerous rhythmIt's something daring, the Continental  
A way of dancing that's really ultra-new  
It's very subtle, the Continental  
Because it does what you want it to doIt has a passion, the Continental  
An invitation to moonlight and romance  
It's quite the fashion, the Continental  
Because you tell of your love while you danceYou kiss while you're dancing  
It's continental, ooh, it's continental  
You sing while you're dancing  
Your voice is gentle and so sentimentalYou'll know before the dance is through  
That you're in love with her and she's in love with youYou'll find while you're dancin'  
That there's a rhythm in your heart and soul  
A certain rhythm that you can't control  
And you will do the Continental all the timeYou'll find while you're dancin'  
That there's a rhythm in your heart and soul  
A certain rhythm that you can't control  
And you will do the Continental all the timeBeautiful music  
Dangerous rhythm
