

Blockbuster

Nostrum

Your first mistake was to think you could fuck with the ranch

 Here I come, here I come, with my dick in my hand

 Do you think you'd like to have a blockbuster up your ass

 Do you think you'd like that, well do ya motherfucker

 Do ya, motherfucker

 Do ya

We'll smash your eggs and then your head and we'll nab your kids

 Take 'em outback on the deck and barbecue their ribs

 Throw their heads into your ivy, water them with piss

 Do you think you'd like that, well do ya motherfucker

 Do ya, motherfucker

 Do ya

Your first mistake was to think you could fuck with the ranch

 Here I come, here I come, with my dick in my hand

 Do you think you'd like to have a blockbuster up your ass

 Do you think you'd like that, well do ya motherfucker

 Do ya, motherfucker

 Do ya, motherfucker

 Do ya, motherfucker

 Do ya
