

Polyester Girl

Regurgitator

All I want you to say is nothing at all
And all I want you to do is stare at the wall
I love your plastic hair and plastic eyes
Marvel at your plastic breasts and plastic thighsMy polyester girl
So shiny
Polyester girl
So shiny
Polyester girl
So shiny
Polyester girl
So shinyYou're the perfect guy's accessory
Dangling from my arm for of the pretty people to see
Boy's with sassy pouts and perky glee
Great for backstage and entertainment award ceremoniesMy polyester girl
So shiny
Polyester girl
So shiny
Polyester girl
So shiny
Polyester girl
So shinyTook you for a ride up in an aeroplane
But your body burst and left an ugly stain
Had to take your pieces back to the factory
It took them several weeks to get you back to meMy polyester girl
So shiny
Polyester girl
So shiny
Polyester girl
So shiny
Polyester girl
So shiny
Polyester girlShe's my polyester girl
Shiniest in all the world
She's my polyester girl
Shiniest in all the world
She's my polyester girl
Shiniest in all the world
