Alchemist

Somebody I never met
But in a way I know
Didn't think that you could get
So much from a picture show
Man dies first reel
People ask what's the deal?
This ain't how it's supposed to be
Don't like no aborigine

Ritual ideas relativity
Only buildings no people prophecy
Time slide place to hide nudge reality
Foresight minds wide magic imagery

Took a trip in Powis Square
Pop star dyed his hair
No fans to scream and shout
When mobsters came to flush him out
Gangland slaying underground
New identity must be found
On the left bank for a while
Insanity Bohemian style

Ritual ideas relativety
Only buildings no people prophecy
Time slide place to hide nudge reality
Foresight minds wide magic imagery

Met a dwarf that was no good
Dressed like little Red Riding Hood
Bad habit taking life
Calling card a six inch knife
Ran off really fast
Mumbled something 'bout the past
Best sex I've ever seen
As if each moment was the last
Drops of blood color slide
Funeral for his bride
But it's him who's really dead

Gets to take the funeral ride

Ritual ideas relativity
Only buildings no people prophecy
Time slide place to hide nudge reality
Foresight minds wide magic imagery

Space guy fell from the sky
Scratched my head and wondered why
Time slide into time
Across international dateline
Scientist eats bubblegum
Hall of fame baseball
Senators a Hoodlum
Big chiefs in the hall
Ritual ideas relativity
Only buildings no people prophecy
Time slide place to hide nudge reality
Foresight minds wide magic imagery

Stray thoughts fear to tread
Placed upon the screen instead
she's my flame too hot to hold
Had to settle for her cold

Blood lust, Greek God, Gold discovery
Gone bust, Tight wad, Slow recovery
Axe job, Flame thrower, Ironbar and gun
Betting shop, New owner, A walk in the sun

Ritual ideas relativity
Only buildings no people prophecy
Time slide place to hide nudge reality
Foresight minds wide magic imagery

Spread the news the Maestros back
With a beat - box soundtrack
The King of brains - Queen of the sack'
Executives have heart attack
It's assault course celluloid
The money makers would avoid
Sometimes notions get reversed
Center of the universe

Ritual ideas relativity
Only buildings no people prophecy

Time slide place to hide nudge reality
Foresight minds wide magic imagery

Ritual ideas relativety
Only buildings no people prophecy
Timeslide place to hide nudge reality
Foresight minds wide magic imagery
