## Alchemist

Somebody I never met  
But in a way I know  
Didn't think that you could get  
So much from a picture show  
Man dies first reel  
People ask what's the deal?  
This ain't how it's supposed to be  
Don't like no aborigine

Ritual ideas relativity  
Only buildings no people prophecy  
Time slide place to hide nudge reality  
Foresight minds wide magic imagery

Took a trip in Powis Square  
Pop star dyed his hair  
No fans to scream and shout  
When mobsters came to flush him out  
Gangland slaying underground  
New identity must be found  
On the left bank for a while  
Insanity Bohemian style

Ritual ideas relativity  
Only buildings no people prophecy  
Time slide place to hide nudge reality  
Foresight minds wide magic imagery

Met a dwarf that was no good  
Dressed like little Red Riding Hood  
Bad habit taking life  
Calling card a six inch knife  
Ran off really fast  
Mumbled something 'bout the past  
Best sex I've ever seen  
As if each moment was the last  
Drops of blood color slide  
Funeral for his bride  
But it's him who's really dead

Gets to take the funeral ride

Ritual ideas relativity  
Only buildings no people prophecy  
Time slide place to hide nudge reality  
Foresight minds wide magic imagery

Space guy fell from the sky  
Scratched my head and wondered why  
Time slide into time  
Across international dateline  
Scientist eats bubblegum  
Hall of fame baseball  
Senators a Hoodlum  
Big chiefs in the hall  
Ritual ideas relativity  
Only buildings no people prophecy  
Time slide place to hide nudge reality  
Foresight minds wide magic imagery

Stray thoughts fear to tread  
Placed upon the screen instead  
she's my flame too hot to hold  
Had to settle for her cold

Blood lust, Greek God, Gold discovery  
Gone bust, Tight wad, Slow recovery  
Axe job, Flame thrower, Ironbar and gun  
Betting shop, New owner, A walk in the sun

Ritual ideas relativity  
Only buildings no people prophecy  
Time slide place to hide nudge reality  
Foresight minds wide magic imagery

Spread the news the Maestros back  
With a beat - box soundtrack  
The King of brains - Queen of the sack'  
Executives have heart attack  
It's assault course celluloid  
The money makers would avoid  
Sometimes notions get reversed  
Center of the universe

Ritual ideas relativity  
Only buildings no people prophecy

Time slide place to hide nudge reality  
Foresight minds wide magic imagery

Ritual ideas relativety  
Only buildings no people prophecy  
Timeslide place to hide nudge reality  
Foresight minds wide magic imagery
