

# Teleport 2 Me, Jamie (feat. Desire)

Wzrd

Getting in from the airport, you getting in from the study group  
The only thing missing at this point  
Is bona fide chillin time with you  
I can't stand the times when I'm alone at night  
And I feel your side of the bed and it's cold  
Wide awake, I don't know the time  
Cause I'm too busy texting you on my phone  
Saying

[Hook]

I want you girl, I need your body right here  
Won't you teleport to me?

You call out to me through the light  
I know you must be close  
The moment when I realize it's all in my mind  
The moment I hate the most  
Somebody help me out, does anyone care?  
Can anyone hear me? Is there anyone there?  
I'm over the loneliness and I can't close my eyes  
Without you by my side

[Hook]
