

Teleport 2 Me, Jamie (feat. Desire)

Wzrd

Getting in from the airport, you getting in from the study group
The only thing missing at this point
Is bona fide chillin time with you
I can't stand the times when I'm alone at night
And I feel your side of the bed and it's cold
Wide awake, I don't know the time
Cause I'm too busy texting you on my phone
Saying

[Hook]

I want you girl, I need your body right here
Won't you teleport to me?

You call out to me through the light
I know you must be close
The moment when I realize it's all in my mind
The moment I hate the most
Somebody help me out, does anyone care?
Can anyone hear me? Is there anyone there?
I'm over the loneliness and I can't close my eyes
Without you by my side

[Hook]
