Are You Ready?

Boney James

Are you ready, ready to love?
Let me show you how much I can loveAre you ready, ready to love?
Let me show you how much I can love, yeah
Are you ready, ready to love?
Let me show you how much I can loveAre you ready, ready to love?
Let me show you how much I can love, yeah
Are you ready, ready to love?
Let me show you how much I can loveAre you ready, ready to love?
Let me show you how much I can love, yeah
Are you ready, ready to love?
Let me show you how much I can loveAre you ready, ready to love?
Let me show you how much I can love, yeah
Are you ready, ready to love?
Let me show you how much I can loveAre you ready?
Let me show you
