Black Widow

Monarchy

My love won't be inhibited
Your fears they won't cut me down
I'm bold as a newborn child
No buds on your barren soilGoodbye to your simple state of mind
Goodbye to your emptiness inside
Set fire to the time we intertwined
The fire will burn away
the grace I gave you and your black widow
My love will stand the tests of time
These memories they will crumble down
You'll fall back on your thoughtless ways
I'll breathe air and seize the dayGoodbye to your simple state of mind
Goodbye to your emptiness inside
Set fire to the time we intertwined
The fire will burn away the grace I gave youGoodbye
Goodbye to your simple state of mind
Goodbye
Goodbye to your emptiness inside
Set fire to the time we intertwined
The fire will burn away the grace
I gave you and your black widow
My love won't be inhibited
Your fears they won't cut me down
I'm bold as a newborn child
The fire will burn away the grace
I gave you and your black widow
