

Vision Of Love

Kris Allen

Wake up if you believe
love is not a fading dream,
Tell me, I'm not the only one who feels this way right now.
Lonely needs a friend, ask him where he's been,
You could be the light that comes and turns his world around.

I don't wanna run,
I don't wanna hide when someone needs somebody,
I don't wanna say,
I don't got the time when someone needs somebody,
With a little faith and a little song,
we can't go wrong,
we can't go wrong.

When a heart breaks and the world shakes,
Will we stand for the vision of love?
When a tear falls and the fear calls,
Will we stand for the vision of love?
Will we stand for the vision of love?

Sing whoa whoa,
whoa whoa,
whoa whoa

Make up hides her face 'cause she feels out of place, and she cries.

Come on, someone tell this girl she's beautiful.
We don't gotta run,
we don't gotta hide when someone needs somebody,
We don't need say we don't got the time when someone needs somebody,
With a little faith and a little song,
we can't go wrong,
we can't go wrong.

When a heart breaks and the world shakes,
Will we stand for the vision of love?
When a tear falls and the fear calls,
Will we stand for the vision of love?
Will we stand for the vision of love?

Sing whoa, c'mon (whoa whoa whoa whoa whoa) Let's stand up, let's stand,
Let's stand for the vision, let's stand for the vision of love.
(whoa whoa whoa whoa whoa whoa)

Wake up,
Wake up,

Wake up if you believe,
When a heart breaks and the world shakes,
Will we stand for the vision of love?
Will we stand for the vision of love?
