

# Don't Hold Your Breath

Nicole Scherzinger

Don't hold your breath  
Don't hold your breath  
Don't hold your breath  
Don't hold your breath You can't touch me now, there's no feeling left  
If you think I'm coming back, don't hold your breath  
What you did to me, boy, I can't forget  
If you think I'm coming back, don't hold your breath I was under your spell for such a long time  
Couldn't break the chains  
You played with my heart  
Tore me apart with all your lies and games It took all the strength I had  
But I crawled up on my feet again  
Now you're trying to lure me back  
But no, those days are gone, my friend I loved you so much  
That I thought someday that you could change  
But all you brought me was a heart full of pain You can't touch me now, there's no feeling left  
If you think I'm coming back, don't hold your breath  
What you did to me, boy, I can't forget  
If you think I'm coming back, don't hold your breath  
Don't hold your breath I was worried about you but you never cared about me none  
You took my money and I know that you, you could really hurt someone  
I gave you everything but nothing was never enough  
You are always jealous over such crazy stuff You can't touch me now, there's no feeling left  
If you think I'm coming back, don't hold your breath  
What you did to me, boy, I can't forget  
If you think I'm coming back, don't hold your breath  
Don't hold your breath Move on, don't look back  
I jumped off a train, running off the tracks  
Your day's gone, face the facts  
A bad movie ends and the screen fades to black What you did to me  
Boy, I cannot forget  
If you think I'm coming back  
You can't touch me now You can't touch me now, there's no feeling left  
If you think I'm coming back, don't hold your breath  
What you did to me, boy, I can't forget  
If you think I'm coming back, don't hold your breath You can't touch me now, there's no feeling left  
If you think I'm coming back, don't hold your breath  
What you did to me, boy, I can't forget  
If you think I'm coming back, don't hold your breath
