

# Pretty When You Cry

## Vast

You're made of my rib, oh baby  
You're made of my sin  
And I cant tell where your lust ends  
And where your love begins I didn't want to hurt you baby  
I didn't want to hurt you  
I didn't want to hurt you  
But you're pretty when you cry And the moon gives me permission  
And I enter through her eyes  
She's losing her virginity  
And all her will to compromise I didn't want to hurt you baby  
I didn't want to hurt you  
I didn't want to hurt you  
But you're pretty when you cry I didn't want to fuck you baby  
I didn't want to fuck you  
I didn't want to fuck you  
But you're pretty when you're mine I didn't really love you baby  
I didn't really love you  
I didn't really love you  
But I'm pretty when I lie You hurt me baby  
I hurt you baby If you knew how much I love you  
You would run away  
But when I treat you bad  
It always makes you want to stay, hey I didn't want to hurt you baby  
I didn't want to hurt you baby  
I didn't want to hurt you baby  
I didn't want to hurt you baby How can you do this to me now?  
How can you do this to me now?  
How can you do this to me now?
