## Pompeya

Ooh Its such a long, long way to Pasadena  
Ooh Its such a long, long way to PasadenaWhere the dirt track meets the highway  
And there aint no time at all  
Just a world movin forward  
On a big black motored crawlAnd the drivers in their Chevrolettes  
Aint got no time at all  
To find no lonely hikers way  
Its when I wanna sayOoh Its such a long, long way to Pasadena  
Ooh just to find some air thats kind of cleaner  
Pasadena town is where Im goinWhy did they cut Beales Rise  
To stage coach through Newhall  
For a Mustang pony car  
To muss up City HallNow theres a long freeway  
Where the desert used to be  
And theres no way that you can hike it  
Ooh youll seeOoh Its such a long, long way to Pasadena  
Ooh just to find some air thats kind of cleaner  
Pasadena town is where Im goinDo,do,do,do,do,do  
Do,do,do,do,do,do Pasadena town is where Im goinThere aint no other town that I call homeOoh Its such a  
long, long way to PasadenaOoh yeah yeahOoh Its such a long, long way to PasadenaOh no my car wont  
startOoh Its such a long, long way to Pasadena
