

# Indication

## Eclectics

It's not that you're wrong  
It's just that I am right  
I don't want to be tied down  
Every day and every nightNow I've got an indication  
I'll hold out against sensation  
I know that if I really try  
I think I can hold outIf you think  
You've got me under wrong  
You may be right  
But I won't be the one to settle downNow I've got an indication  
I'll hold out against sensation  
I know that if I really try  
I think I can hold outBut if I can't hold out  
Keep away from you  
I can see it happening  
I will be with youIf it happens  
There's nothin' I can do  
But realize that you have won  
And it's no use to fightNow I've got an indication  
I'll hold out against sensation  
I know that if I really try  
I think I can hold outNow I've got an indication  
I'll hold out against sensation  
I know that if I really try  
I think I can hold out
