# Let`s Misbehave

## Elvis Costello

You could have a great career
And you should, yes, you should
Only one thing stops you dear
You're too good, way too goodIf you want a future, darlin'
Why don't you get a past?
'Cause, that fateful moment's comin' at lastWe're all alone, no chaperone
Can get our number, the world's in slumber
Let's misbehaveThere's something wild about you, child
That's so contagious, let's be outrageous
Let's misbehaveWhen Adam won Eve's hand
He wouldn't stand for teasin'
He didn't care about those apples out of seasonThey say that spring means just one little thing
To little lovebirds, we're not above birds
Let's misbehaveIt's getting late and while I wait
My poor heart aches on, why keep the brakes on?
Let's misbehaveI feel quite sure affaire d'amour
Would be attractive, while we're still active
Let's misbehaveYou know my heart is true
And you say, "You for me care"
Somebody's sure to tell
But what the heck do we care?They say that bears have love affairs
And even camels, we're men and mammals
Let's misbehave
