

Adrenaline

Bush

You don't feel the pain too much is not enough
Nobody said this stuff makes any sense, we're hooked again
Point of no return, see how the buildings burn
Light up the night, such pretty sight Adrenaline keeps me in the game
Adrenaline, you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes, it takes Adrenaline
(You don't feel the pain) Sail through an empty night, it's only you and I
Who understand, there is no plan
Get closer to the thrill, only time will kill
What's in your eyes is so alive Adrenaline keeps me in the game
Adrenaline, you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes, it takes adrenaline Run through the speed of sound, everything slows you down
And all color that surrounds you are bleeding to the walls
All the things you really need just wait to find the speed
Then you will achieve, escape velocity Too much is not enough, nobody gave it up
I'm not the kind to lay down and die Adrenaline keeps me in the game
Adrenaline, you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes, it takes adrenaline Adrenaline, screaming out your name
Adrenaline, you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes, it takes Adrenaline
(Adrenaline) You don't even feel the pain
You don't even feel the pain
I'm going to extremes
There is nothing in between You don't even feel the pain
You don't even feel the pain
You don't even feel the pain
You don't even feel the pain
