

The Book Of Love

The Magnetic Fields

The book of love is long and boring No one can lift the damn thing
It's full of charts and facts and figures and instructions for dancing
but I I love it when you read to me and you you can read me anything The book of love has music in it In fact
that's where music comes from
Some of it is just transcendental Some of it is just really dumb but I
I love it when you sing to me and you you can sing me anything The book of love is long and boring and written
very long ago
It's full of flowers and heart-shaped boxes and things we're all
too young to know but I I love it when you give me things and you you ought to give me wedding rings I I love
it when you give me things
and you you ought to give me wedding rings
