

Broken

Leona Lewis

You can take away all my love, what do I need it for?
You can take away all these words, there's no meaning anymore
You can take away everything, leave me lying on the floor
All those sorry's, we can't go back to the start
You can't fix me, I'm torn apart I wanna run away from love, this time I have had enough
Every time I feel your touch I'm broken
Shattered all the pieces and parts, never thought I'd fall so hard
I'm putting back together my heart, it's broken You can take these photographs, watch them fade away
You can throw away all these letters, I don't care about what they say
All those sorry's, there's a million reasons why
You can't mend me, don't even try I wanna run away from love, this time I have had enough
Every time I feel your touch I'm broken
Shattered all the pieces and parts, never thought I'd fall so hard
I'm putting back together my heart, I'm broken I know it's gonna take some time to finally realize
I got nothing left inside, nothing to hide
I'm broken, I'm broken, my heart is open wide
I'm broken, I'm broken, there's nothing left inside
Save me I wanna run away from love, this time I have had enough
Every time I feel your touch I'm broken
Shattered all the pieces and parts, never thought I'd fall so hard
Putting back together my heart, together now, I'm broken I'm broken
Save me
Save
I'm broken
