Certain Move

Buzzcocks

It's such a certain move
Don't throw it right back on me
It's such a certain move
Open your eyes so you can seeYou look like you should know
So let the four winds blow
I think it's time to goIt's such a certain move
Just turn your mind from night to day
It's such a certain move
I could believe in what you sayYou look like you should know
So let the four winds blow
I think it's time to goIt's such a certain move
Don't throw it right back on me
It's such a certain move
Open your eyes so you can seeIt's such a certain move
From time to time and day to day
It's such a certain move
What does it matter anywayIt's such a certain move
From time to time and day to day
It's such a certain move
What does it matter anywayI could believe in what you say
What does it matter anyway
